UNITED AIR LINES

... FEAR ITSELF

The New Colossus.

Not like the brazen giant of Greek fame,
With conquering limbs astride from land to land,
Here at our sea-washed, sunset gates shall stand
A mighty woman with a torch, whose flame
Is the imprisoned lightning, and her name
Mother of Exiles. From her beacon-hand
Glowed world-wide welcome, her mild eyes
Command
The air-bridged harbor that twin-cities fame.

"Keep, ancient lands, your storied pomp!" cries she,
With silent lips. "Give me your tired, your poor,
Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore—
Send these, the homeless, tempest-tost to me,
I lift my lamp beside the golden door!"

Emma Sanford.

November 2nd 1883.
